

Session Synopsis on Nov. 15, 2021

1. The session is meeting with Dr. Dale Woods on Sunday, Nov. 21, 2 – 5 pm. He will be leading a Visioning Workshop entitled “Imagining a New Future – What’s Involved in A Discernment Process?”

[question to Morgan, was the BOM invited, are other interested congregation members invited? If yes to latter, we can add an invitation to ??? to attend]

2. The in-person Thanksgiving Sunday joint worship was a success with over 50 persons attending from both congregations. Feedback from congregation members has been overwhelmingly positive.

3. In light of the positive response to the Thanksgiving event and significance of Christmas, the traditional joint Christmas Eve Candlelight service is tentatively scheduled for late afternoon, at the Kerrisdale Presbyterian Church Hall. Confirmation and details will be provided when the availability of the site is confirmed

4. During this year, Jason Byassee have served CPC as Pastor of Outreach and Sam Andri has served as Youth Worker. Their contracts are coming up for renewal and the Session seeks feedback on how they have contributed to your growth and faith (Jason) or to the spiritual growth of the youth (Sam). Please provide feedback to your elder or Pastor Morgan Wong.

5. The CPC will be budgeting a \$18,000 contribution to Presbyterian Sharing in 2022. This is an integral part of CPC’s mission activity. Presbyterian sharing is the national church fund that supports mission and ministry in Canada and around the world. See <https://presbyterian.ca/sharing/> for a view of their support program.

6. Elder George Sze reports that the CPC rebuilding project is on schedule.
